OBSERVAÇÃO IMPORTANTE

A FINA só disponibiliza os 500 primeiros do ranking mundial.

Selecionamos dois por país no ranking de 2017 dentro das idades 200-2003, conforme os critérios para seleção YOG, e em algumas provas não sobram 50 no ranking.

Por essa razão, acrescentamos o seguinte critério adicional caso a seleção acabe sendo decidida por tempos que estejam fora deste ranking.

Caso haja disputa por vaga na seleção por algum nadador que não esteja no ranking, nesse caso - e apenas nesse caso - o desempate por Índice Técnico considerando a temporada de 2018 pode ser acionado.

OBSERVAÇÃO IMPORTANTE

A FINA só disponibiliza os 500 primeiros do ranking mundial.

Selecionamos dois por país no ranking de 2017 dentro das idades 200-2003, conforme os critérios para seleção YOG, e em algumas provas não sobram 50 no ranking.

Por essa razão, acrescentamos o seguinte critério adicional caso a seleção acabe sendo decidida por tempos que estejam fora deste ranking.

Caso haja disputa por vaga na seleção por algum nadador que não esteja no ranking, nesse caso - e apenas nesse caso - o desempate por Índice Técnico considerando a temporada de 2018 pode ser acionado.

OBSERVAÇÃO IMPORTANTE

A FINA só disponibiliza os 500 primeiros do ranking mundial.

Selecionamos dois por país no ranking de 2017 dentro das idades 200-2003, conforme os critérios para seleção YOG, e em algumas provas não sobraram 50 no ranking.

Por essa razão, acrescentamos o seguinte critério adicional caso a seleção acabe sendo decidida por tempos que estejam fora deste ranking.

Caso haja disputa por vaga na seleção por algum nadador que não esteja no ranking, nesse caso - e apenas nesse caso - o desempate por Índice Técnico considerando a temporada de 2018 pode ser acionado.

OBSERVAÇÃO IMPORTANTE

A FINA só disponibiliza os 500 primeiros do ranking mundial.

Selecionamos dois por país no ranking de 2017 dentro das idades 200-2003, conforme os critérios para seleção YOG, e em algumas provas não sobraram 50 no ranking.

Por essa razão, acrescentamos o seguinte critério adicional caso a seleção acabe sendo decidida por tempos que estejam fora deste ranking.

Caso haja disputa por vaga na seleção por algum nadador que não esteja no ranking, nesse caso - e apenas nesse caso - o desempate por Índice Técnico considerando a temporada de 2018 pode ser acionado.
