WELCOMING MESSAGE

On behalf of the Organizing Committee XIX Pan American Games and VII Parapan American Games Santiago 2023, I have the honor of talking to the whole Pan American family, especially the National Olympic Committees (NOC), to express our biggest considerations because of the labor they do for sports on the continent.

In this opportunity, it's my pleasure to introduce the Sports technical manual, which will be used during the XIX Pan American Games. Each manual considers the work of the diverse functional areas that are part of the Santiago 2023 Organizing Committee, together with the support of the technical delegates from the different international federations and the experts from Panam Sports, to deliver a product that contributes to the success of the biggest multisport event that will happen in the history of our country.

This document contains relevant information about all the sports and disciplines that will be part of the activities calendar for the XIX Pan American Games. You'll be able to find the competition schedule, format, competition and qualification system, the information about the delegations training, among others. This is the best guide we can share at the Santiago 2023 Games, where we are waiting for you with open arms.

Santiago 2023 is an opportunity to transform and build a better country based on the values we want to promote (passion, perseverance, inclusion, determination, and excellence). Santiago and all Chileans are getting ready to welcome you with the warmth and hospitality that we are known for. We are sure that you will take away the best memories from your stay in our country during the biggest sport festival in the continent, that for the first time will be held in Chile.

We are waiting for you!

GIANNA CUNAZZA
Chief Executive Officer

XIX Pan American Games and VII Parapan American Games Organizing Committee

1. INTRODUCTION

1.1 Welcome to Santiago 2023

The Pan American and Parapan American games are a sport party, with a world class organization that allows the athletes from the Americas to reach excellence. The celebration will unfold the natural beauty, dynamism, and multicultural energy of Santiago de Chile.

1.2 Santiago as a city

Santiago, the capital city of Chile, was founded 482 years ago, on February 12th, 1541. It is located in the central zone of the country; its landscape is complemented in the background by the Andes Mountain range. With a Mediterranean weather, it rains only in winter and at a height of 570 meters (1870 ft) above sea level, the city offers the ideal conditions for the high-performance athletes.

By 2023, the Santiago metro will have a layout of 149 kilometers (93 mi) in length, with 143 stations that will go through 28 districts. It will be the second largest subway network in Latin America, and it will connect the Pan American Village (Cerrillos station) with the Estadio Nacional within only 12 minutes. Every official venue in Santiago has a connection to a subway station or is a short distance away by bus.

With a population of 6.1 million inhabitants, Santiago is the largest city in Chile and the sixth in South America.

The currency that we use in Chile is the Chilean peso (CLP). You can also use American dollars (USD) and euros (EUR).

Spanish is the de facto and the administrative language of Chile. A 9.9% of the population speaks and understands the languages of the indigenous people, including Mapudungun is spoken by around 100 thousand and 200 thousand people, Aymara by around 20 thousand, Quichua by around eight thousand people and Rapanui by around 3,300 people.

1.3 The city as the host of large sport events

Chile has been the host of several sports events and international meetings in the last years. The Dakar Rally, between the editions of 2019 and 2015, together with the 2014 South American Games, are some of the examples that show that the country is ready to receive world class events. That is how the country provides its infrastructure and safety.

To become the host of the XIX Pan American Games and the VII Parapan American Games in 2023 is of utmost importance for the city and a country that seeks to celebrate the sports spirit in the Americas, and that aims to leave a legacy of social transformation that promotes an active lifestyle and inspires the society and future generations. In Santiago we are getting ready to welcome 6,932 Pan American athletes that come from 41 countries who will compete in 39 sports and 60 disciplines.

While the Parapan American Games are awaiting the visit of 1,927 athletes from 33 countries in 17 sports and 18 disciplines.

As previously pointed out, Chile was part of the official tour of the Dakar Rally in seven editions, between 2009 and 2015. On the occasion more than three thousand vehicles competed in national territory.

Santiago, together with five sub-venues, organized the South American Games of 2014. In this competition, 4,300 athletes, together with 3,000 volunteers and 400 thousand spectators participated. In 2015 the sub-17 football world cup was held in eight cities of the country. 24 delegations that traveled 63,500 kilometers (39,457 miles) participated along Chile. Another football event of continental relevance was the organization of the Americas Cup 2015, over 650 thousand spectators, more than 3,600 media professionals and over 24 thousand accreditations were considered.

In 2017, Santiago was the location of the South American Youth Games (ODESUR). This event gathered 1,200 athletes from 14 countries, who performed in 21 different disciplines in 18 venues within the city. Our country has experience in large sports events. The rugby junior world cup (2019), the water ski world championship (2013), Polo championship (2015), Junior Field Hockey world Cup (2016), the roller hockey world cup (2016), the Bolivarian beach games (2016), the ITTF world tour (2016), and the volleyball South American Championship (2017), highlight the enthusiasm Chile has put into the organization and execution of sports events of international relevance.

1.4 Santiago 2023

Chile will be the host of the Pan American Games for the first time in its history.

Pan American Games	
Opening ceremony:	October 20th, 2023
Competitions:	October 21st to November 5th, 2023
Closing ceremony:	November 5th, 2023
Participants:	6,916 athletes

Clusters	Venues	Sports program
6 for competition 1 for training 1 non-sports cluster	42 for competition	39 sports 60 disciplines

1.5 Fiu, the Official Mascot

Fiu is a Seven-colored tanager bird and was chosen to represent Chile in the Pan American and Parapan American games. Fiu is the sound of its song. It lives in the wetlands of Chile along its territory. Even though it's a small bird, it always gives its biggest effort, the same as every athlete who seeks new challenges every day. Its seven colors mean strength, consistency, respect, determination, honesty, fellowship, and passion.

Fiu's colors, apart from the previously mentioned values, represent the diversity of human beings and species: all the races, languages and beliefs from everyone who will participate at Santiago 2023.

Almost 50 thousand people were the ones that gave their preference to choose the official mascot of the games, an impressive record, since it bested the participation at Guadalajara 2011, Toronto 2015 and Lima 2019.

At first, we received several interesting proposals, but from those we chose five mascots to put up for voting: Fiu, Pewü, Chitama, Juanchi and Santi. Every single one of them had great stories behind them, which were available for the citizens to choose during August of 2021 on the website www.santiago2023.org.

2.6 Rules, Protests and Appeals

2.6.1 Rules

The competitions will be developed under the World Aquatics regulations in force at the moment of the event: <https://www.fina.org/rules/general-rules>

2.6.2 Jury of Appeal

For the Pan American Games, the Jury of Appeal shall be composed of the Executive Committee of PanAm Aquatics, the Honorary Members present, and the World Aquatics delegate present. The president of PanAm Aquatics or, in her absence, the vice president, will be the Chairperson. Each member shall have one (1) vote, except as provided hereunder. In case of equality of voting, the Chairperson has a casting vote. Members of the jury may attend and participate in the appeal via video conference when possible.

A jury member is allowed to speak, but not to vote, on a case in which the interest of his own National Olympic Committee is involved. A jury member having acted as an official is not allowed to vote on a case if there is a protest against their decision or on their interpretation of a rule. In case of urgency, the jury may vote on a matter even if it has not been possible to call all the members. The decision of the jury is final.

Note: The physician appointed by the Medical Commission of Panam Sports and Santiago 2023 has the authority to make medical decisions about athletes regarding the competition, including but not limited to the ability to participate or not due to injury or illness.

2.6.3 Protests

Protests will be as stated in World Aquatics Rules GR 9.2, except by:

GR 9.2.2 (b): Protest must be submitted in writing on Games Forms.

GR 9.2.2 (d): Protest will have to include a deposit of \$500 USD or its equivalent in Chilean pesos.

2.6.4 Use of brands in sports equipment and clothing

The competition and non-competition uniforms and the sports equipment for the Santiago 2023 Pan American Games must comply with the provisions of the "Games Uniform and Sport Equipment Guidelines" of Panam Sports, which meets the requirements of the international federations of each sport.
