- The Melbourne 2022 "A" qualifying time standard; and
- The 16th place time from Melbourne 2022 preliminary heats

For these Championships, the standards broke down as follows:

Women: 15 of the 2024 "A" time standards were the 2022 "A" time standard, and 3 of the 2024 "A" time standards were the 16th place time from the 2022 Worlds.

Men: 16 of the 2024 "A" time standards were the 2022 "A" time standard, and 2 of the 2024 "A" time standards were the 16th place time from the 2022 Worlds.

2. All "B" time standards were derived by multiplying the "A" time standard by 3.5%.

6. ACCREDITATION

6.1 Accreditation Quotas

The quotas of team officials (coaches, team leader, medical staff, support staff, etc.) allowed by discipline are defined in [5. Team Officials](#). Participating World Aquatics Members must comply with the quotas, as in principle, World Aquatics will not allow any extra officials. Only exceptional requests for additional officials will be considered and reviewed by World Aquatics for approval. In this case, a fee of one hundred fifty (150) USD will be levied for each additional accreditation that is duly approved, with payment being required on site during the Delegation Registration Meeting (DRM) process.

Only persons aged of eighteen (18) or older as of the first day of the World Aquatics World Championships are eligible for accreditation as a Team official.

Concerning World Aquatics Member Representatives, the President and the General Secretary, officially recognised by World Aquatics, will be entitled to free accreditation (non-transferable).

Any other individual registered under the World Aquatics NF Representative category will be charged a fee of one hundred-fifty (150) USD for their accreditation. World Aquatics NF Representatives are NOT included in Team Official quotas and are restricted according to the quotas below.

The following quotas apply for the World Aquatics Member Representatives in addition to the President and General Secretary:

Number of Competitors	Maximum Number of Representatives outside of President & General Secretary
1-2 competitor(s)	1
3-4 competitors	2
5-6 competitors	3
7-8 competitors	4
9-13 competitors	5
14-20 competitors	6
21-30 competitors	7
31-40 competitors	8
Over 40 competitors	9

World Aquatics has final approval for all Team Official and NF Representative Accreditation requests that have been registered through the World Aquatics GMS by the registration deadline of 19 November 2024.

Quotas are not transferable from one category to another.

6.2 Venue Access

i. Athletes

Athletes will have access to all training venues and the competition venues where they are competing.

ii. Team Officials and World Aquatics Member Representatives

Individuals registered in these categories will have access to all competition and training venues.

Important note: Each person must be registered under the function and role they will be fulfilling during the World Aquatics Swimming Championships (25m) Budapest 2024. If an individual will perform multiple functions, only the most senior position or the one granting the more fitting privileges (as required by the tasks the person will need to perform at the event) shall be selected upon registration.

e.g. If a Member representative Board Member is also the coach of the team, this person should be registered as a “Team Official” and “Coach” in order to have the correct access to fulfil their duties at the event.

The World Aquatics Member is entirely responsible for registering the participants with their correct functions and roles, so that the correct accreditations will be issued. World Aquatics generally does not permit changing of Category, Function and Role once the registration is approved. However, in exceptional circumstances where a change is deemed necessary and justified, World Aquatics may consider accommodating the request. In such instances, a fee of one hundred-fifty (150) USD may be applicable.

6.3 Loss of Accreditation

If your accreditation badge is lost, it must be reported immediately to the nearest security personnel from the Organising Committee. A penalty fee may be charged for the reproduction of lost accreditation badges.

7. ACCOMMODATION AND TRANSPORTATION
